Plano Wildcat Men's Soccer

Tryouts:

Tryouts will be the first two weeks of the school year! The athlete needs to make sure that soccer is on your schedule for 1st period! If it is not your 1st period class, then you need to get it changed or you won't be able to tryout!

Tryouts are at Plano Senior High, on the turf practice field, **8:00am-9:00am**, map is below. The athlete will have plenty of time to shower, change, and get on the shuttle bus that will then take you to either Vines or Clark for 2nd period.

There will be 2 cuts, one cut after the first week of tryouts and a second one after the second week of tryouts! If you don't make the team, your schedule will then be changed to another class for 1st period. You will not be given a locker the first two weeks. You will take all of your stuff to the field with you and be dressed for the tryout when you arrive for the tryout. You will then go to the locker room area to get ready for school, then will have to take all of your stuff to the other campus. Once you make the team you will be given a locker.

The first day of tryouts you will show up at 7:30am and meet at Plano Senior High School turf field, in order to collect paperwork (physical and medical history) and meet about the tryout process. The field that is highlighted yellow on the google image is where the tryout will take place. Drop the athlete off by the aquatic center in the parking lot on the west side of the school. The turf field is located beside the aquatic center. This is where tryouts will be held.

Paperwork:

All paperwork is done through www.rankonesport.com. You get the physical form and medical history from the rankone website. Once a physician has completed the physical it should be downloaded with the medical history. All other paperwork must be filled out at rank one. **Everyone, it does not matter if you did it the previous year, you must get a physical done. You will not be able to touch the field until it is all completed.**
